

Our Revolution Baltimore City/Baltimore County Endorsements in November 3 General Election Baltimore City

Candidates who responded to the OR questionnaire were invited to attend a forum in February. Over 30 office seekers came and spoke to an audience of more than a hundred people. The responses to questionnaire were made available to both members of Our Revolution as well as the general public. However, only members of the organization were allowed to vote. These are the results:

Mayor: Brandon Scott¹

Comptroller: Bill Henry

District 1: Zeke Cohen

District 3: Ryan Dorsey

District 12: Franca Muller Paz

Each candidate has shown support for progressive policies such as environmental justice, a commitment equitable investment in educating students in Baltimore City, criminal justice reform, equitable investment in the infrastructure of Baltimore City and transportation, a commitment to reforming Baltimore City government.

¹ Mary Washington received our initial endorsement for Mayor. But after she withdrew, we voted to endorse Brandon Scott.
